

Smarter Fleets

Dynamic insurance powered by data for safer fleets and fairer premiums

DATA ANALYTICS

AI analyses GPS data for crash probability and climate impact scores

FLEET INSURANCE

Tailored premiums with incentives for safer driving habits

RISK MANAGEMENT

Explore driver training and personalised driver policy guidance

CLAIMS MANAGEMENT

24/7 digital claims portal for faster and more cost efficient claims

IMPROVED SAFETY AND FAIRER INSURANCE

At Fuse Fleet, we're transforming risk management with predictive insights and best-in-class digital end-to-end claims management solutions.

By leveraging AI and telematics data, we deliver transparent insights into fleet safety, risk and claims. With over 30 years of expertise in motor fleets and risk advisory services, we are uniquely positioned as leaders in behaviour-based insurance and claims management.

With our tailored digital insurance offering, customers benefit from cutting-edge AI technology that improves risk mitigation, reduces accidents and secures accurate insurance premiums.

KEY BENEFITS FOR YOUR CUSTOMERS

- Report claims within 24 hours to reduce costs by 15%.
- Risk mitigation for better loss ratio and fewer injuries.
- Fairer premiums for good driving behaviour.
- Real-time driver data to support safety.
- Access to driver training.
- Digital claims and 24/7 real time reporting.
- Rebate structure for improved driver behaviour.

KEY BENEFITS FOR BROKERS

- Strong safety advocacy.
- Improved ROI with demonstrated cost savings.
- Enhanced customer retention.
- Innovative features to win new business.
- Alternative market for fleets who need help with accident rates.

HOW IT WORKS

We identify the 15% of drivers that cause 50% of at-fault accidents before the accidents occur.

1.

SHARE GPS DATA

2.

ANALYSE DATA

3.

CRASH PROBABILITY SCORE

4.

TARGET 15% THAT CAUSE 50% OF AT-FAULT ACCIDENTS

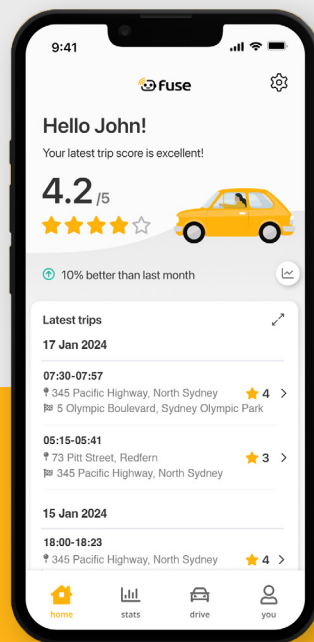

INTRODUCING THE FUSE FLEET APP

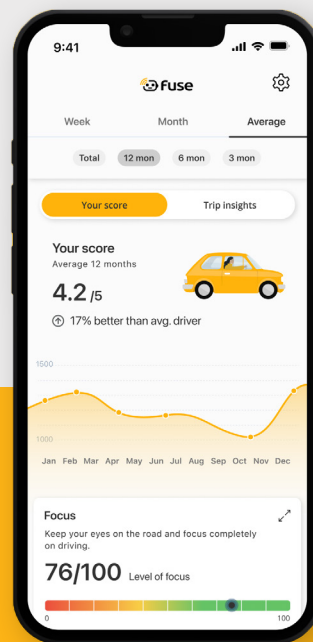

Our innovative app utilises pattern AI technology to assess crash risk and provide valuable insights into driving habits. Understand performance better with benchmarks and trends, driving you towards safer journeys.

FAIRER INSURANCE

Because we can accurately identify crash probability for drivers across entire fleets, we can price insurance premiums more accurately, delivering reduced premiums for good driving behaviour and peace of mind that you're paying the right premium.
